Robert E. McPeak practices primarily in commercial real estate, project finance, and business transactions. Mr. McPeak co-chairs McDonald Carano's Energy, Environmental & Natural Resources Law Practice.

Mr. McPeak's expertise is recognized in *Chambers USA*, *The Best Lawyers in America*, *National Law Journal Trailblazers*, and *Mountain States Super Lawyers*. He also received the AV Preeminent Peer Review Rating (highest rating available) from *Martindale-Hubbell*. Clients describe Mr. McPeak to *Chambers* researchers as "intelligent, thorough and ensures our interests are protected." "He has both knowledge and vast experience across the state, is very responsive and takes things very seriously." "He has knowledge beyond his years, particularly on development projects, and is highly regarded." "Robert is a smart and good lawyer who is pleasant to work with." "Rob is fantastic from a technical perspective. Every problem that could have existed was there in our transaction but he was able to walk us through every issue, and was able to get them fixed." "Rob was able to provide excellent assistance on a real estate lease matter."

Mr. McPeak's broad-based real estate practice encompasses every phase of property acquisition, financing, development, management, leasing, and sales. His experience extends across all commercial property types, including core retail, office, industrial, multifamily, planned communities, condominiums, mixed-use developments, casinos, hotels, and time-share projects. Mr. McPeak is also experienced with real property tax appeals.

Mr. McPeak represents:

- Local, regional and national developers in connection with construction and development agreements and other project documents, including CC&Rs, reciprocal easement agreements, shared-entry arrangements, and joint venture agreements;

- Buyers and sellers in the negotiation and closing commercial real estate transactions (including options and rights of first refusal/ rights of first offer);
- Landlords and tenants in the negotiation and preparation of retail, office, industrial, and ground leases, with tenant-improvement matters, and in the resolution of lease disputes;
- Borrowers, guarantors and lenders in commercial real estate loan transactions, including loan origination and documentation, financing opinion letters, note acquisitions, workouts, receiverships and foreclosures;
- Real estate brokers, property managers and receivers.

Mr. McPeak advises Nevada corporations, limited liability companies and partnerships and their shareholders, members, managers, and partners on matters of entity formation, governance and ongoing operations, including commercial credit and equipment finance.

Mr. McPeak regularly represents developers and tax equity investors in connection with project development, permitting and finance of renewable energy projects throughout Nevada.

Mr. McPeak negotiates and drafts construction contracts on behalf of owner-developers and contractors, as well as landlords and tenants in connection with tenant build-outs and improvements. He has experience with custom documents, AIA documents, and ConsensusDocs.
